Star Wars Box Sets by theory11

Magically Opens by Itself!

On Your Command

Channel your inner Jedi to magically open or close the box from any distance - with no magnets, strings, or electronics! Showcase your newfound abilities to your friends and family - they'll be amazed when they see the box slowly open at your command. What's the secret method? You'll have to get your own to find out!

The Perfect Gift

For the Star War Fans in Your Life

The box set includes six decks of Star Wars Playing Cards in multiple color variations - including two gold foil special edition decks - featuring detailed depictions of your favorite characters! This is the perfect gift and conversation starter for any Star Wars fan in your life.
