

C.T.G. (Chip Thru Glass) by JEKI YOO

Discover the magic of "**Chip Thru Glass**"! This captivating routine features three poker chips and a clear glass cup:

Present three poker chips and a transparent glass cup to your audience for thorough inspection. Watch as each chip magically passes through the seemingly solid glass cup one by one, starting with the first, then the second, and finally the third. The cup, though appearing like glass, is actually made from durable acrylic. It's scratch-resistant and easy to maintain, ensuring it stays pristine for repeated performances. Perfectly sized for this routine, it enhances the seamless execution of your magic. "**Chip Thru Glass**" is ideal for intermediate magicians who love coin tricks. It delivers not just entertainment, but a mesmerizing experience suitable for both close-up and larger stage settings with screens. The vibrant red poker chips contrast sharply, making the magic easy for all to follow.

More than just a trick, "**Chip Thru Glass**" is a standout addition to your performances. Elevate your magic with CTG, Oh my!
