

Professional Coin Purse by Amor Magic

Amor Professional Coin Purse

: Secure your magic, treasure your coins.

For every coin magic enthusiast, coins are like warriors that fight alongside you. The better you treat your warriors, the more loyal they are to you. A set of coins can accompany you for a lifetime, carrying not just their "magic" but stories uniquely yours. So, why not choose a comfortable "home" for your priceless stories?

We believe that a better choice is the Professional Coin Purse. Ergonomically designed with no sharp edges, this purse fits comfortably in your hand. Its articulated metal frame saves space while maintaining an elegant curve. Made from premium top-grain cowhide, it balances durability with a timeless look. The specially selected lining forms a snug fit around your coins when the purse is closed, providing better protection against oxidation. Whether it's a Shell set, CSB set, or any other set, the Professional Coin Purse will serve as the perfect "home" for them!
