

Unfiltered Magazine by Adrián Carratalá

Are you looking for a fun, direct, and modern effect to open your show? **Adrian Carratala** shares for the first time what has been his opener for the past 12 years.

Effect: With a magical pass, the magician is able to remove all the Photoshop, AI, and filters from a fashion magazine to show how the models really look. With a humorous result.

This super easy-to-do effect is perfect as an opener or interlude in your show.

It's magical, modern, and will elicit laughter from the audience.

Many magicians have described it as the "coloring book" of the 21st century.

Made with high-quality materials and matte laminated covers for durability.

A4 format.
