

The Gentleman Thief (Scion) by Giovanni Meroni

"By birthright or remarkable skill, he is considered the noblest among thieves."

Scion

*is the first deck of the series **"The Gentleman Thief"**, a series inspired by Ars ne Lupin, designed by Thirdway Industries. It's about the "gentleman" side of our protagonist and it's focused on prestige, influence and power. It's somehow the most "positive" deck of the series.*
