

No Tear Pad (Medium, 6"x8", Tear/No Tear Alternating) by Alan Wong

The **Tear No Tear Pad** offers you a pre-assembled normal looking plain note pad with alternate tear (normal paper) and no tear (non-tearable composite paper). It comes with a professional comedy working routine 'The Kid's A Magician' generously given here by Wayne Dobson. You can adapt a lot of different themes into this with a 'Do as I do' routine.

The **Tear No Tear Pad** is well known to be Paul Gordon's original idea who first marketed the pads in 1999 and gave his permission to Albion Magic to market it since 2005 long before this version became available. Both Paul and Wayne are credited here to appreciate them for bringing such a great magic item to the magic world. Perfect for a "Do as I Do" routine and so much more!

Dimensions approximately: 6" x 8" (50-page pad - 25 pairs of A5 size tear/no tear paper)
