

The 17th Kingdom Avant Garde - Pokerdeck

The 17th Kingdom Avant Garde Playing Cards

are a unique deck with an hourglass shape, setting them apart from the ordinary. These cards handle remarkably well, making them suitable for a variety of purposes. Your initial interaction with them is sure to evoke a sense of intrigue. Remarkably, their ergonomic design surpasses even that of conventional playing cards.

The included 'foldbox' boasts two foils, embossing, an inner red coloring, and an ingeniously glue-less construction.

Specifications:

- 56 poker-sized cards with an unconventional shape
- Custom court cards and jokers
- Unique design for the Ace of Spades
- Matte red edge printing
- Foldbox featuring dual foils, embossing, and inner red coloring
