

## **Sand Deck by Martin Braessas**

From The mind of Martin Braessas comes **Sand Deck**. You will be able to produce a whole deck of cards from a single card!

If you are looking for your perfect virtual opener this is it! Once you produce the deck you can continue using it for your favorite routines!

You receive 2 different Gimmicks ready to use them out of the box and a 30 min tutorial where you will learn different handlings and also how to make extra gimmicks to use them with any deck you have at home!

- Easy to do!
- Super visual!
- Perfect for social media!

*"Sand Deck can make for a great opener. It's a dramatic method of introducing a deck to your spectators!"*

### **- The Magic Portal**

*"Quick and easy to create, this is the perfect intro for your card magic routine. The audience will have NO idea. Do yourself a favor and watch the intro video.. then, you'll HAVE to buy it!"*

### **- Rick Carruth**

*"If you need a great opener to attract your spectators, add this effect to your routine now!"*
