

Liquify by Tobias Dostal

"This is soooooooo good! Tobias you are a genius! You liquified my brain!!!"

- Steven Frayne (Dynamo)

"In the 55 years that I travel the world I have never seen this! This is original, This guy is original!!!

- Uri Geller

*With **Liquify**, you will bend reality, reshape perceptions, and utterly obliterate the barrier between illusion and imagination.*

Imagine this: an ordinary ring softens at your touch, melts into a pool of liquid metal. But with a swirl of your finger, the liquid visually regains its solidity. And just like the now rigid ring, your spectators are warped back into solid reality.

***Liquify** is more than just a trick - it's an illusion that defies the laws of physics. Imagined by one of the world's most prolific and innovative creators, Tobias Dostal blends artistic and creative brilliance to craft an original and never-before-seen illusion.*

What to expect:

- *Contains an expansive set that includes 8 color gimmicks and 5 colored rings for nearly limitless applications*
- *Precision-crafted gimmicks - the culmination of 4 years of rigorous testing and R&D, yielding the most impossible version to date!*
- *Versatile routines capable of adapting to fit in a sea of various performance styles*
- *Easy to learn - a beginner could start performing the basic effect within 10 mins.*

*Welcome to the extraordinary world of Tobias Dostal - where states of matter blend at your will, and reality merges with your imagination. Welcome to **Liquify**.*

"Tobias lives in a cartoon world and he's the artist. This trick transcends people's reality into a world of WILD imagination."

- **Chris Ramsay**

"Seriously my brain melted when I first saw Tobias do Liquify"

- **Cyril**

"The first time I saw Tobias do this, it made me feel like a layman... officially making me a laygician."

- **Gregory Wilson**
