

RICE BOWLS (Gimmicks and Instructions) by Apprentice Magic

You start by showing two empty rice bowls. You fill one with rice and cover it with the other bowl. When you lift the bowl once again, the rice is seen to have doubled in quantity! This amazing illusion gets even better when you remove ALL the rice that is inside the bowl and cover it once again... when you lift the lid once more, water has appeared like real magic!

Apprentice products come complete with all necessary props, online instructions as well as a great storyline to capture the imagination of your audience. The **Apprentice Line of magic** is focused toward beginners yet, many professional magicians around the world use these same tricks in their live shows.
