

Cherry Casino House Deck (McCarran Silver) by Pure Imagination Projects - Pokerdeck

Limited to only 500 decks. Incredibly modern, classy and clean.

Introducing the Limited Cherry Casino House Deck (McCarran Silver).

Each limited Cherry Casino McCarran Silver House Deck has a numbered seal, a limited special tuck and embossed cherries.

Will not be available again. Never. No reprints.

No unnecessary detail.

No pretentious glitz, just a slight shimmer of McCarran silver reflecting the light.

Built to withstand the test of time for the collector.

Complete your Cherry Playing Card collection with the extremely limited Cherry Casino House Deck (McCarran Silver).

- Limited to only 500 decks
- Numbered seals
- Special metallic tuck with no swoosh and embossed cherries
- Inside are the familiar crushed Bee stock from U.S. Playing Card Company
- Designed by Sam Devins in partnership with Pure Imagination Projects
