Silence Playing Cards (standard edition)

Let's meet Acelion - an extremely creative team of art.

Silence Playing Cards are the first work of them. In this playing card, you can feel the passion, creativity, originality and talent of Acelion.

Let's start taking off the mask of Silence.

Once you get the Silence Playing Cards in your hand, you can feel so many differences from other playing cards instantly.

The luxurious tuck boxes of Silence Playing Cards are manufactured with very special double-layer paper stock. When you remove the 1st tuck case at the outside, you will understand how deluxe and surprising it is!

The 2nd tuck case is also special, it allows you to grab the cards out from side.

The artwork of each card is 100% customized, totally Gothic style, full of beauties and darkness. We promise every card is worth savoring!

We also made some hot silver on the tuck case, don't forget to look into the tuck case, you will find shining moon and stars.

- **Limited playing cards with great paper quality.**
- **Perfect for magician, flourishers and collectors.**
- **Luxurious double-layer tuck box you've NEVER seen before.**

Are you ready to unveil the Silence?
