

Russian Folk Art Deck by Natalia Silva

"Russian Folk Art" is a beautiful deck of playing cards inspired by Russian Folklore.

The original designs of the deck are all inspired by folk designs from Russian heritage and culture. Traditional folk art has always played an intrinsic part of domestic culture across Russia and represents the rooted artistic perceptions, traditions and practices of the citizens.

This deck is printed at the highest quality by the USPCC (United States Playing Card Company) on magnificent Bicycle card stock. The run is 2500 decks and it features 54 original pieces of art.

Please NOTE: USPCC (United States Playing Card Company) printed, NOT Bicycle Branded.
