

Paul Harris Presents Hand-picked Astonishments (Thumb Tips) by Paul Harris and Joshua Jay - DVD

A Paul Harris Presents series of new twists on classic must-have magic secrets like the **Invisible Deck, Thumb Tips, Card Forces** and more!

All hand-picked by Paul Harris, Tim Trono, and Joshua Jay. **Expert coaching by Joshua Jay** to help your first performance experience be comfortable, solid, safe and astonishing.

This is not an encyclopedic "every variation under the sun" collection. Out of the **hundreds of routines and ideas** we have hand-picked a small select handful of only the very coolest, most **powerful, performer-friendly personal favorites** from magic's top creators.

Hand-Picked Easy For The First Time Beginner
Hand-Picked Power For The Experienced Pro

Volume 1: Thumbtips

We begin our series with Volume 1, which is perhaps the greatest assemblage of magic possible with the humble thumbtip. Not only are all the basics covered, but you'll learn how to make a "nesting" thumbtip, several effects you can perform anytime and anywhere, and even two larger routines suitable for bigger audiences.

If you have never used a thumbtip before, this is the perfect primer. If you consider yourself a thumbtip expert, there is still a selection of brand-new, unpublished routines and concepts.
