

Godzilla x Kong: The New Empire - GODZILLA Special Edition - Pokerdeck

GODZILLA | Special Edition for the Godzilla x Kong: The New Empire Playing Cards

Signature Room One Cards' accordion tuck box

: The special editions of the Godzilla x Kong: New Empire Playing Card decks boast a unique accordion-style tuck box, specially designed by Room One Cards. This exclusive packaging showcases the classic silhouette of the iconic titans that create a sense of epicness.

Embossing & hot foiling tuck box: The special editions also feature a tuck box embellished with mesmerizing embossing and hot foiling. The combination of these luxurious finishing techniques enhances the overall aesthetic appeal, making these decks a feast for the eyes.

Gilded edges & foiling playing cards: Adding an extra touch of opulence, the special editions feature stunning gilded edges and foiling on the cards, with the symbolic colors of the titans. This exquisite detail elevates the visual appeal, creating a striking upgrade of the colors to the cards' artwork and enhancing the overall luxurious feel of the decks.

Limited edition: Only 1,500 decks available worldwide
