

## The Marked Billet by TCC

Get an early experience of TCC's Blackpool releases: **The Marked Billet!**

30 sets of 6 marked billets, totaling 180 billets in one package, easy identification from a distance.

Billets stand out as essential tools in mentalism. With a minimalistic design concealing secrets on both sides, the marked billets allow easy identification even from a distance.

Careful attention has been given to the quality of both the thick paper and printing, ensuring stable writing and an enhanced overall feel.

### Features

- Minimalistic marks easily identifiable from a distance
- Stable writing and improved overall feel
- Six different marks in one set

### Included

- 30 sets of 6 marked billets, totaling 180 billets in one package.
- Each set is individually packed, and the box can be used as a container for the billets.
