

DMC Alpha V3 (Purple) Portcullis

Introducing the **DMC ALPHAS v3**, the pinnacle of impact and sophistication for both magicians and mentalists worldwide (designed in collaboration with the remarkable Lee McKenzie). With its unique ability to reveal the names of your spectators, their loved ones and their memories, the **DMC ALPHAS v3** are guaranteed to provoke emotional responses from your spectators like never before ... reactions that simply are not possible with traditional playing cards. This is truly a devastating new DIMENSION of card magic and mentalism.

Beyond their functionality, the **DMC ALPHAS v3** also boast a timelessly elegant design and the luxury PHANTOM FINISH, making them a joy to handle, fan and spread. With their superior durability, the DMC ALPHAS will also withstand the rigors of even the most demanding performances. Fully marked in all four corners with the brand new 2024 PORTCULLIS MARKING SYSTEM, the cards also feature a subtle one-way marking system and the language-free instruction card is included inside every deck.

Join the exclusive ranks of elite magicians and mentalists around the world who demand nothing but the very best. Treat yourself to the ultimate card magic experience with the **DMC ALPHAS v3** and elevate your magic and mentalism to heights you've never imagined possible.
