

## **Split Hole (Blue) by Chiam Yu Sheng and JT Magic**

### **Split Hole**

is a novelty visual effect created by Chiam Yu Sheng from Singapore.

A spectator selects a card and signs their name on it. A hole then appears on the card. The hole splits into two halves, and the two half-holes are restored. Finally, the hole vanishes, and the magician can give the signed card to the spectator as a souvenir.

### **Advantages:**

- **Highly visual and practical, perfect for performing in front of live audiences.**
- **Super easy to do.**
- **The gimmick card is durable.**

*"Yu Sheng takes the 'Hole in Card' plot to the next level with his take on the classic illusion that almost everyone in the world knows-sawing the lady in half! Brilliant idea, Yu Sheng!"*

- Michael O'Brien

*"This is a fun new take on the hole effect! I can't wait to play with this!"*
