

Carat XLE1 Single Deck Case

The **Carat XLE1 Single Deck Case** is made of clear 5mm archival quality acrylic to allow for unobstructed views of your favorite deck from all sides while safely protecting it from potential damage or harm.

The **Carat XLE1 Single Deck Case** has the same front profile as a Carat X1 case (7.9 x 10.4cm) but has a wider side profile (an additional 3mm) to allow for displaying decks with thickness of up to 25mm (or a little less than 1 inch) as well as decks together with dealer coins/coin guards that don't fit in a Carat X1.

Like all other acrylic Carat Cases, the lid is attached by 4 neodymium magnet pairs, which are 10 times stronger than regular magnets, for a secure attachment while still allowing for easy access to the deck inside. The case edges and corners are buffed smooth for a more elegant look and feel and 4 rubber pads with adhesive that can be attached to the bottom of the case are included to prevent scratching of the case or the surface it is on.

Carat Card Cases by Carat Case Creations are the preferred playing card storage and display cases of discriminating collectors, designers and playing card manufacturers. Carat Case Creations has worked with many of the top designers and companies to create custom cases, including Butterfly Playing Cards, Cartamundi, Chris Ovdienko, Expert Playing Card Co, Jackson Robinson, Lee Asher, Midnight Playing Cards, Mint Playing Cards, Rick Davison, Stockholm 17, Thirdway Industries, Tru-Card and Vanda Playing Cards.
