

The Mental Billet Pad by TCC

Simplify Your Carry with **TCC Mental Billet Pad** - A Minimalist Leather Billet Holder with Three Functions in One.

Effortless Invisible Writing

Write comfortably using a swami gimmick (e.g., our Sharpie Swami Pro) on the expansive surface area, offering more coverage for a single billet. The pad provides a rigid surface for effective writing on securely held billets.

Impression Pad

Equipped with a classic magnetic impression gimmick, easily obtain information written by the audience on the billet. Includes a gimmicked Sharpie for this function.

Out to Lunch Principle

The strap design holds multiple billets and is tailored for the Out-to-Lunch principle, providing ideal camouflage for the effect.

Crafted from genuine leather and assembled with precision using high-quality materials, the Mental Billet Pad redefines simplicity with elegance.

Compact yet versatile, it accommodates most common billet and business card sizes, including TCC's marked billets. A dependable workhorse in the arsenal of mentalists.
