

Innocence (Gold Foil Edition) - Pokerdeck

This special edition celebrates the iconic design of the original **Innocence Playing Cards**, now available with luxurious golden cold foil accents. Each card is designed so that the gold foil details catch the light perfectly, creating a captivating visual experience.

The gold foil not only adorns the back of the deck but can also be found on the faces. To emphasize the elegance, only certain details on the court cards, the Jokers and the Ace of Spades were decorated with gold.

- Limited to 2500 decks.
- Fully golden cold foil back design.
- Targeted golden cold foil spots on the faces.
- Gold paper on the inner tuck case.
- Double backer & 8 of Spades duplicate.
