

## **Beetlejuice by theory11 - Pokerdeck**

A deck that's simply to die for! Playing cards inspired by the macabre magic of the timeless classic.

### **It's Showtime!**

#### **STRANGE AND UNUSUAL**

Go ahead, make our millennium with a must-have deck of cards for fans of the original classic and the long-awaited sequel! Featuring vibrant slime green and haunting purple accents, Beetlejuice is back from the dead and ready to exorcise your game nights!

### **The Ghost With The Most**

Take a dip into the ghost realm with Beetlejuice, Lydia, Delia, and all of your favorite characters, bringing them (back) to life! If you're a ghost, keep your head (or what's left of it) on a swivel - the sandworms are hungry!

### **The Juice Is Loose!**

#### **A FIGMENT OF YOUR IMAGINATION**

Somebody wants to join in on the fun! Say his name three times and welcome your new player to the table. Keep an eye out for hidden Easter eggs and references from both the original 1988 film and the long-awaited sequel that fans have been craving for 36 years!
