

Spider-Man: Miles Morales (PVC) by Card Mafia - Pokerdeck

Main Features:

One-of-a-kind tuck case featuring the iconic Miles Morales Suit from Insomniac's Spider-Man: Miles Morales. Innovative Opening/Closing System that Triggers the Suit's LED officially licensed by Disney with anti-counterfeit hologram label. Featuring finely tailored red & black hot foils. Center of the LED light changes color from Blue to Purple activating the suit's "Venom Powers". LED Lights last more than 100,000 Seconds. With a fully upgraded easy battery-replacement system. Batteries included.

Printed by the Taiwan Playing Card Company with their legendary finish. Made for professionals with casino quality.

Experience the thrill of the Spider-Verse with Spider-Man Miles Morales Playing Cards. Get ready to enter the fascinating world of Miles Morales, a.k.a Spider-Man, with our Spider-Man Miles Morales Playing Cards. Our unique deck of cards is inspired by Insomniac's Spider-Man Miles Morales, featuring a red and black tailored suit and is activated by venom powers, which is beautifully captured in our deck of cards.

Innovative Tuck Case Design with LED Lights

Our deck of cards comes with an innovative tuck case design that captures the essence of Spider-Man's Miles Morales suit. The tuck case also features a unique opening and closing system that triggers the suit's LED lights, adding to the overall excitement and thrill of the game. The LED lights change color from blue to purple, activating the suit's "venom powers", which is sure to keep you and your friends engaged in a high-stakes game of cards for hours on end.

Officially Licensed and Anti-counterfeit Hologram Label

At Card Mafia, we take pride in creating high-quality products that are officially licensed by Disney. Our Spider-Man Miles Morales Playing Cards

come with an anti-counterfeit hologram label that ensures authenticity, giving you peace of mind that you are purchasing a genuine product. The cards are made with finely tailored red and gold hot foils, which add to the overall aesthetic appeal of the deck.

Legendary Finish and Casino-Quality

Our Spider-Man Miles Morales Playing Cards are printed by the Taiwan Playing Card Company, known for their legendary finish and casino-quality products. Our deck of cards is made for professionals and will exceed your expectations with its durability and reliability. The LED lights in the cards last for more than 100,000 seconds, and the battery replacement system is fully upgraded, making it easy to replace the batteries when needed. Batteries are included with the deck, so you can start playing right away.
