

## Wormhole Coin (Black) by N2G

A wormhole is a physical concept that connects different regions of space-time.

Wormhole coins use magic to demonstrate this phenomenon. An ancient copper coin, hidden mystery, can be miraculously restored after being smashed. This is not a dream, but a magic feast with **Wormhole Coin**. It blends ancient wisdom with modern magic, allowing you to witness the wonders of time travel. Every time it is broken and reassembled, it is the ultimate shock to the vision and the soul.

Simple, mysterious and powerful, **Wormhole Coin** is not only a magic item, but also the key to a magical journey. Come explore the magic world of this ancient coin and feel the wonder of traveling through time and space!
