

## Wand to Flower in Tray

The magician shows a tray and waves a red wand over it. A moment later, magically, a bouquet of flowers complete with its vase will appear!

It's impossible to say that this isn't pure magic!

- Loved by any audience, adults and children.
- Perfect for a quick opener. Simple to perform.
- The appearance of the vase as well will have a devastating impact on the audience and, as also, on magicians!
