

Wand to Dove

The Magician touches the collar of his jacket with his magic wand, and instantly a small bouquet of flowers appears. He then waves the wand in the air, a shower of confetti appears, and a dove instantly materializes on it.

- A bag of confetti is supplied. It will last for various performances.
- The plastic wand is 36 cm long and has a diameter of about 2 cm. The sponge dove, soft and well made, is 20 cm long and 8.5 cm high. The mini bouquet of feathers is 13.5 cm long and approx 9 cm wide.
