

Voodoo Prediction

A spectator is invited to stick a pin into a part of the body of a small voodoo doll.

Once the pin has been inserted, the magician opens an envelope that has always been in sight and inside there is a drawing depicting the doll with a sign on the exact position of the pin!

- The spectator can insert even more pins in different parts of the body... the prediction will always be 100% correct!
- Very practical and will easily fit in your pocket so as to always carry it with you.
- Everything you need is supplied: doll, plastic pins, felt-tip pen, envelope and picture of the doll!
