

Adair's Egg Nest

Five different colored eggs are put in a clear net bag. The performer explains that inside one egg is a gold ring or a bill. Four spectators freely pick an egg each, the last egg is left to the performer. Each spectator opens his egg to reveal nothing. When the performer's egg is opened it has the gold ring or the bill.

- Easy to do.
- The bag is cm 18 x 22 (in. 7 x 9).
