

Tubik by Tora Magic

Tubik is a madly mind blowing props that was recently introduced and is included in the exclusive line of Tora Magic. Tubik will be a different and exciting product for you!

Hold a square cube in your hand and show it completely and even rotate its sides so that the audience realizes that it is a normal cube, then put the cube in the box. Take the tube and press on the cube...and the cube will turn from a square into a cylinder!

- This product is completely handmade and assembled.
- The transformation effect is very visual and impactful. Very simple execution.
- You get this product in a sturdy wooden box with a special gimmick and training card.
