

Tenyo - The Final Piece

An impossible & baffling revelation! A professional level effect performed by top pros!

A spectator randomly selects a jigsaw puzzle piece from a loose pile of pieces. The magician draws attention to a cloth that covers a completed puzzle on the table. He removes the cloth and shows that one piece of that puzzle is missing. Incredibly, the single puzzle piece the spectator selected is exactly the correct piece needed to complete the puzzle!

This famous magic effect has been performed by many top professional magicians. This easy method brings the identical effect within your grasp, so you can delight and baffle your own audiences.
