

Star Wars Playing Cards - Silver Special Edition - Dark Side

Since 1977, Star Wars™ has been a pop culture phenomenon. Today, theory11 is proud to present an all-new special edition of Star Wars: Light Side and Dark Side Playing Cards.

Channel your inner Sith, join the First Order, or maintain order in the galaxy alongside Emperor Palpatine's Imperial Army. The Dark Side deck features Darth Vader's lightsaber, the Death Star, and the Empire's fleet of starships. "You don't know the power of the dark side!"

On the front of the dark side box, look through the window of the Imperial Throne Room, with symbols of the Galactic Empire and First Order on each corner.

Both decks feature the same set of 12 court cards, representing each side. On the dark side, Palpatine is depicted alongside Kylo Ren and Darth Vader - with a graphite grey back design.

On the King of Spades, Darth Vader is depicted holding his lightsaber while taking command of his Imperial subordinates.
