

## Star Wars Playing Cards - The Dark Side

MAY THE FORCE BE WITH YOU!

A LONG TIME AGO IN A GALAXY FAR, FAR AWAY...

Since 1977, Star Wars has been a pop culture phenomenon. Alongside the release of Star Wars: The Rise of Skywalker, the 9th and final film in the Skywalker saga, theory11 is proud to present Star Wars Playing Cards!

### THE DARK SIDE

Channel your inner Sith, join the First Order, or maintain order in the galaxy alongside Emperor Palpatine's Imperial Army. The Dark Side deck features Darth Vader's lightsaber, the Death Star, and the Empire's fleet of starships. "You don't know the power of the dark side!"

### Dark Side - The Box

#### EMBOSSSED AND FOIL STAMPED

On the front of the dark side box, look through the window of the Imperial Throne Room, with symbols of the Galactic Empire and First Order on each corner.

### Court the Dark Side

#### THE DARK SIDE OF THE FORCE

Both Star Wars decks feature the same set of 12 court cards, representing each side. On the dark side, Palpatine is depicted alongside Kylo Ren, Darth Vader, and more.

### Darth Vader

#### THE KING OF SPADES

On the King of Spades, Darth Vader is depicted holding his lightsaber while taking command of his Imperial subordinates. "I find your lack of faith disturbing."

### Inside the Design

#### THE DARK SIDE

Across the red back design, it's all about the details - from the Death Star to the First Order, Sith, and Empire insignia. In the center, a repeating pattern of TIE fighters supports Darth Vader's lightsaber on either side.

- The cards are poker size.
