

Star Wars Playing Cards - The Light Side

MAY THE FORCE BE WITH YOU!

A LONG TIME AGO IN A GALAXY FAR, FAR AWAY...

Since 1977, Star Wars has been a pop culture phenomenon. Alongside the release of Star Wars: The Rise of Skywalker, the 9th and final film in the Skywalker saga, theory11 is proud to present Star Wars Playing Cards!

THE LIGHT SIDE

Join Jedi Knights, climb aboard the Millennium Falcon, and become a Rebel or Resistance hero. The Light Side deck features Luke Skywalker's lightsaber, R2-D2, and fighters from the Rebel fleet.

"May the Force be with you."

Light Side - The Box

EMBOSSSED AND FOIL STAMPED

The outer packaging is breathtaking, with striking, vibrant blue foil - mixed with clear, reflective foil that creates the illusion of the Millennium Falcon cockpit window.

Inside The Blue Box

ALL CUSTOM COURT CARDS

Both Star Wars decks have the same set of 12 court cards, with iconic light side and dark side characters. Each card features detailed depictions of these iconic characters. On the light side: Rey, Leia Organa, Han Solo, Luke Skywalker, and more.

About The Cards

MADE IN AMERICA

The cards themselves are made in the USA - printed on FSC-certified paper derived from sustainable forests, vegetable-based inks, and starch-based laminates.

The Back Design

LOADED WITH LIGHT SIDE DETAILS

Across the blue back design, catch countless details - from the top of R2-D2 to the Rebel Alliance symbol. In the center, a repeating pattern of X-wing starfighters supports two lightsabers on each side edge.

- The cards are poker size.
