

Solokid Constellation – Virgo

SOLOKID Constellation playing cards, the first constellation series from Solokid. All the 12 constellations have been included in this series. It's a great collection for playing card lovers and it's time to start a romantic journey to the beautiful Galaxy!

The box has the corresponding star chart with hand-drawn artwork; the face and the back of the cards make you feel like the vast universe blooming in the palm of the hand.

Manufactured by MPC with their newest Linen Air Light M30 card stock.

- The cards are poker size.
