

## Flip Over Box - Wood

The magician shows an elegant wooden box and points out that on the front there is a window that allows you to see inside. He puts an object into the box and the audience can see it through the window. A moment later the magician makes a magical gesture, completely opens the box and the object will have disappeared!

- Classic tool useful for making objects disappear on stage!
- The box is made with care in wood. It measures 25.8 (10,6") x 10 (3,9") x 16 (40,6") cm. The objects to be made to disappear are not included.
