

The Rose by Bond Lee & Wenzel Magic

Now you can perform this astonishing effect!

Magician magically produces a rose, then vanishes it with a spark of fire.

Then magician is able to produce three roses without any sleight of hand.

- Easy to perform with a little practice.
- The instructions are supplied through a practical download link. They are in English, but easily understandable by anybody thanks to the clear video.
- For the flash, flash cotton is required, and can be purchased separately.
