“DON'T SMOKE! But you should do this organic effect! So visual!” - Tom Elderfield

“Whaaat? Ok, I have a very good reason to play with the cigarettes again!” - Mario Lopez

Everyday people turn over money for cigarettes. Imagine if you could rehab and turn those cigarettes back into money!

Welcome to Rehab Pro.

The original “Rehab” created by Gabbo Torres from Puerto Rico in 2018, it's a visual change from cigarette to any currency.

Anywhere you go, this trick comes super handy, because we include different currencies to customize your gimmick. You'll get these:

US DOLLAR

UK POUND

EURO

CHINESE RENMINBI

JAPANESE YEN

Beside these currencies, you can also use your own bill to make the gimmick.

Whether you are smoking or not, this effect can have great reaction because everyone loves the trick with money!

This trick has unlimited possibilities for you to discover!

Rehab Pro comes with everything you need to perform this visual miracle.
