

## Reel Double

This reel, unlike other models, has a double thread, each independent of the other, which allows you to operate twice!

- No explanations are given. Your imagination will know how to use it best, exploiting all its potential!
- The reel has no stops and has a safety pin to be able to attach it to a pocket or to the edge of trousers.
- The plastic body has a diameter of 4.3 cm. The threads, in black cotton, are approximately 77 cm and 84 cm long.
