

Productions from Silks - Umbrellas

The magician holds four brightly colored scarves. One at a time shows them and then, instantly, produces from them four colored umbrellas. The audience will not believe their eyes!

- Perfect for any performance, and very easy to do.
- The scarves have very bright colors and measure 60 x 60 cm. The parasols are included.

NOTE: the colors of the umbrellas may differ from the ones shown in the video and in the photo.
