LUXURY PLAYING CARDS

theory11 produces the world's finest playing cards. Printed using the highest quality card stock with textured embossing. They're impeccably finished with opulent foil and hot stamping techniques. Piracy is the absolute pinnacle of playing card quality.

Treasure In Your Hands

SHROUDED IN GOLD AND SILVER

Piracy Playing Cards were produced using a dual-foil printing process - featuring both gold AND gunmetal silver foil on the backs and faces, with extreme detail and precision. The design as a result is absolutely stunning - a lost treasure that's finally been discovered.

Fully Custom Artwork

INSIDE AND OUT

Every aspect of Piracy Playing Cards were designed from scratch, featuring fully custom fonts, suits, Jokers, Court Cards, and Aces dripped in gold and silver foil. Inspired by the mysteries of the deep sea and the guardians that protect lost treasures, you'll be transported to a new world every time they're held in your hands.
