

OverFlight by Takemiya Masaru

A revolutionary solution of Ring Flight by Takemiya Masaru.

Every phase of the vanishing is extremely clean. The complete disappearance occurs very openly and smoothly. You hold the ring after showing that both hands are empty. And when you open your hands, the ring is gone. There is nothing unnatural or suspicious.

The vanished ring will incredibly reappear among your keys on you key chain.

You wouldn't want to miss this superb version of the beloved Ring Flight!
