

Outkast Playing Cards

Premium playing cards produced in collaboration with Outkast, with red velvet and gold foil packaging.

Hey, Ya!

DA ART OF STORYTELLIN'

The iconic duo from Atlanta takes center stage with this special collaboration, celebrating a discography that not only defined a generation, but still remains as one of the most influential collections of hip hop music.

So Fresh, So Clean

AND VELVETY SMOOTH

For the first time, it has been realized a card box that's fully encased with red velvet and embellished with luxurious gold foil - inspired directly by their track "Red Velvet" and the gold chains that André 3000 and Big Boi would wear during the unforgettable Stankonia era.

What's Cooler Than Being Cool?

ICE COLD!

Featuring fully custom artwork of André 3000, Big Boi, and references to their catalog of music, this is a must-have for any Outkast fan.
