CARD STOCK & FINISH

ABSOLUTE Finish is extremely similar to the original ABSOLUT Decks in terms of the thin stock, smooth edges, fans well and the handling of the cards improves with usage!

Even the edges are smooth and white, just like the ABSOLUT Decks. The smooth finish on the back which makes it very easy for cardists to practice moves like padiddle & spring spin.

TUCK BOX

Printed with 3 different finishes on a single tuck box, this will be the first of its kind ever done with a card tuck box. This special treatment makes the colours pop and reflect light vividly at different angles and also makes parts of the tuck box shimmer and sparkle under direct light. The tuck box has the Queen of Hearts printed inside the tuck box. We have devised a full blown 2 phased routine for

Vivek's Ultimate Card To Box that you will get to learn with this deck.
