

## Miracle Balloon

The performer shows to his audience a wooden item with 4 big holes in its middle and 4 small colored mushrooms on its base. He puts 4 colored balloons in the big holes, and with his back turned on the audience, he asks a spectator to choose a mushroom, to show it to the audience and to put it back to its place. Now the magician asks all spectators to think of the chosen color and, suddenly, the corresponding balloon will burst.
