

Milky Die

The magician shows a black box and pours some milk inside it. After a moment he turns the box upside down on the palm of his hand and lifts it up. The milk will have magically changed into a white die!

Finally, he covers the die with the box and changes it into milk again!

- Suitable for all types of audiences, loved by children.
- Everything is made of Plexiglass. The box measures 9.8 cm (3,85") per side and is 9.2 cm (3,62") high.
