

Mental Balloon - Bühnentrick

Distributed with world-wide exclusive right from our company.

A board with four different coloured balloons. The performer declares that he has pasted a prediction label on the rear side of the board. After each balloon is burst (freely named by the spectators), the only one that remains matches with the magician's prediction.

Any kind of balloon can be used. Anyway we supply the item along with 20 balloons.

- Self-working trick.
- No force is required.
- Board size: cm 46 x 28.
