

Medallions Playing Cards

Touch. Feel. Imagine. Discover. Medallion Playing Cards.

The original version was a fan favorite. This new edition is now available with enhanced embossing. A blend of sheer elegance and striking beauty. A timeless object infused with supreme luxury from the Victorian era. After 18 months of discovery here the perfect recipe: Medallions.

Ultra-lux playing cards in deep brown and gold foil.

The deck is made with the highest quality materials. The deep brown tuck case features ultra-lux matte paper. It's covered top to bottom in a striking gold foil.

The design is accented by embossed stitch elements in the front and sealed with a signature precision printed gold foil sticker seal.

Designed in Paris, France by JC Desevre. Produced by Theory11.

- The cards are poker size.
