

Magic Prediction Mug - Regular

These mugs are great conversation piece, and a must have object for any magician.

Make your tea or coffee break with your friends magical.

Start your day off having breakfast accompanied with this magical mug.

Give a touch of magic to your desk and use this mug as a magical pen holder.

- Buy more than one mug and create a set.
- As this is regular mug, no instructions are supplied.
- Use these cups together with the twin “Magic Prediction Mug”. By doing so, during the routine only one of the mugs will magically change revealing a selected card, creating even more astonishment.

PLEASE NOTE: the video shows the effect possible with the item “Magic Prediction Mug”. In this version the mug is NORMAL and therefore it is not gimmicked.
