

Livingstone s Playing Cards

“The only way forward is through.”

Journey through the depths of the African interior with Livingstone Playing Cards. Inspired by 19th century explorer, David Livingstone, and hand drawn by the incredibly talented Jonathan Schubert, Livingstone Playing Cards feature a beautiful palmetto filled back design with a custom Ace of Spades and Joker as well.

Per usual, the deck is printed on USPCC Bee Stock at their Q1 Casino Grade standard.

- The cards are poker size.
