

Jazz Stripes Playing Cards - Cardistry

Get ready to get nostalgic. Jazz Stripes are inspired by the classic 90s Solo Cup design.

The dual “wave” back design allows flourishes and fans to connect forming a seamless wave. The edgeless design is printed with vibrant Pantone colors.

The custom designed cigarette style tuck case is constructed in a durable soft touch stock with silver foil accents and spot gloss on the wave design.

Cards are printed on Superlux B9 stock created by Cartamundi. A durable stock that fans and can handle flourishing with ease.

Limited Edition of 6,000 decks.

Printed in Europe by Cartamundi.

- The cards are poker size.
